

## BIJOY KRISHNA GIRLS' COLLEGE, HOWRAH

### *From the Desk of the Principal*

I am pleased to write a forward for the News Letter this year. You'll find that it is filled with educational information, helpful hints and tips, events, news of the college of the past year. With a pristine purpose of all that has transpired during the last academic year, the college is coming forth with its Newsletter 2019 to help the readers to get a glimpse of its achievements. At Bijoy Krishna Girls' College, Howrah, we are always on the move to provide a foothold for our faculties as well as our students to rise and shine above the genre. The newsletter also provides an opportunity to promulgate and accolade the scholastic as well as the administrative endeavours every year. This year also has seen many such accomplishment. The college has been a hub a lot of academic activities in the past year like holding International and National Conferences with eminent academics gracing the occasions. Quite a few of the teaching members have been awarded doctoral degree from different universities with complete support from the college. Different departments have organised extension lectures for enriching their students with exposure to erudite speakers. The University results have been par excellence this year which is a pride for the college. The college has also facilitated continuous interaction with other academic

institutions and universities through faculty workshops, faculty development programmes, and association with the professional societies. Different programmes organised for the students have also been eagerly participated by them and they enjoyed them thoroughly. Perhaps the best part of the year has been the team work through interdisciplinary projects, co-curricular and social activities. In fact the college has been quite successful in involving all staff in participative administration. With a commendable year behind us I sincerely hope that the coming year will also fill our basket with glorious achievements through cooperation and team work and help the college to move ahead on its path of development.

**Dr. Ruma Bhattacharyya**  
Principal/Secretary

# EDITORIAL

We are glad to bring out the 2018-19 edition of the Annual Newsletter of our College. Those who have an iota of awareness of the Annual Newsletter must appreciate that huge effort behind assembling the information of the year of a vibrant College like ours. It is quite surprising that amidst the busy schedule of Semester based CBCS system with tremendous curricular pressures our students and teachers have contributed so much in different kind of other activities.

2018-19 is a remarkable year not only for our BKGK but also for all the colleges under the illustrious University of Calcutta network. In the academic front in this year we have dealt with two systems simultaneously. We are bidding adieu to the 1+1+1 system with last two batches in our hold and introducing the 6 months Semester based CBCS system. The load of both academic and administrative works has almost doubled. The College is proud to successfully complete the first two semesters out of six. Considerable numbers of teaching and nonteaching staff are involved in different kinds of University Examination related activities and the college has been selected as zonal centre of as many as ten subjects.

In the infrastructural level with the RUSA grant expansion works have been undertaken with strong leadership of the Principal Dr. Ruma Bhattacharyya. The library modernization has been completed with the introduction of OPAC Koha system. As per Accession

Register library has more than 50000 books including text and reference. Dr. Radharani Rit and Sm. Sumana Ghosh have tremendous contribution in the modernization of library. Centralized air conditioning has been installed for the benefit of the readers and the health of the books. Another important achievement of this period is the revival of the NSS with encouraging participation of the students under the leadership of Sm. Ranjana Sarkar Ghosh. The IQAC of the College with Dr. Sweta Guha as its Coordinator is spearheading a number of remarkable and newer initiatives. In other words, the Campus is always abuzz with several forms of activities signaling the victory of youth and energy. Dr. Bhaskar Chowdhury has joined the Geography department of the College this session and we all welcome him with best wishes.

The entire College is looking forward for further progress under the very able leadership of our Principal who is never hesitant in lighting the lamp for any kind of developmental work for its stakeholders.

Lastly, as the editor of this Newsletter I sincerely request all the readers to enrich this Newsletter with their valuable comments, criticisms and suggestions. ([newsletterbkgc@gmail.com](mailto:newsletterbkgc@gmail.com)). The responsibility of all omissions and commissions are entirely mine. Wish all of you a pleasant reading.

*Sarbani Guha Ghosal*  
Editor

## IQAC Coordinator Speaks

Through the Newsletter, our college stays connected to the outside world. Like every year, I hope this newsletter will become significant in informing the all-round development of the college.

The IQAC plays an important role in planning, monitoring and evaluating the activities of the college. In this context, I must mention the successful role of IQAC in organizing workshops, extension lectures by eminent speakers and occasional lectures by our learned colleagues. This year, we have introduced inter-institutional Faculty Exchange Programme with Dr. Kanailal Bhattacharyya College, Howrah and Prabhu Jagatbandhu College, Andul. This programme encourages our professional development through a different working setup and at the same time students get benefit from knowledge and skill of the exchanged personnel.

Our aim is the development of our students in true sense. Their safety and security is our first and foremost concern. They attended two workshops on self defence – one organized by US Consulate General, Calcutta in association with Calcutta Police and Academy of Aikido and the other organized by the college in collaboration with Infidea. Today's students are always under mental stress and depression. 'Alo' Counselling Centre of our college is taking good care of their mental health. Like every year, we are proud of our students in the academic field. Five students were selected to pursue higher studies under the programme of 'Women undergraduate to pursue studies in STEM', organised by U.S. department of State. Aim of higher education can only be achieved only if students can choose right career. This year our

Career Counselling and Placement Cell has offered training to students to develop their various skills so that they can be successful in the process of recruitment. Apart from this, "Awareness and Education Programme on Positivity" was organised by NSS & Nehru Yuva Kendra Sangathan, Howrah (Govt of India) and many companies have recruited our students. Our students are not restricted in the academic field, their talent is reflected in extracurricular activities too like sports, cultural activities and fashion show.

NSS volunteers have made us proud. Their service has touched every sphere of society. They understand their relation to the community and their leadership quality is improving day by day.

On behalf of all members of IQAC, I always acknowledge the roles of my colleagues, students and non teaching staff, without their cooperation and support IQAC would never have been able to create a good academic atmosphere in the college and to maintain and enhance the quality. Above all, we are always encouraged by enormous enthusiasm of our Principal Dr. Ruma Bhattacharyya.

*Sweta Guha*

**DR. SWETA GUHA**

*Internal Quality Assurance Cell, Coordinator*

### GOVERNING BODY

- **Sri Arup Roy**, President
- **Dr. Ruma Bhattacharyya**, Principal/ Secretary
- **Prof. Abanti Routh**, Nominee, University of Calcutta
- **Prof. Prithwish Kumar Roy**, Nominee, University of Calcutta
- **Prof. Suman Bandyopadhyay**, Nominee, DPI
- **Sri Niloy Ghoshal**, Nominee, DPI
- **Sri Sailesh Rai**, Local Councilor
- **Prof. Partha Ghosh**, Teachers' Representative
- **Prof. Soma Chandra**, Teachers' Representative
- **Prof. Ranen Bhattacharya**, Teachers' Representative
- **Dr. Bidyadhar Mondal**, Teachers' Representative
- **Sri. Arup Kumar Bej**, Non-Teaching Representative
- **Sri. Durgashankar Barik**, Non-Teaching Representative
