Sub: Requesting for permission of Anti-tobacco Campaign.

Respected Sir/Madam,

We would like to draw your attention that we're from an organization, Nari-O-Sishu Kalyan Kendra, Women's Organization, based in the district of Howrah, West Bengal. We are working for the cause of women and children for the past three decades, we strive for women empowerment and our main areas of focus have been Child Healthcare, Immunization, Polio Eradication program, Adolescent Health, Education, Livelihood and Vocational Training. Non-traditional lively hood and SAG Kanyashree. We also have a Training centre under "Utkarsha Bangla" project with Paschim Banga Society for Skill Development (PBSSD). Our aim is to create and sustain a progressive and safe environment within the society to ensure the rights of the vulnerable sections of the society.

As we are aware that the Government of India has not increased taxes on any tobacco products in the last five years. During the Union Budget 2022-2023, the Ministry of Finance, Government of India only proposed changing the NCCD component on cigarettes which is not more than 1 rupee per packet and didn't increase taxes on any other tobacco products like beedi, chewing tobacco, pan masala etc. To draw the attention of the Government of India before the winter session, we are organizing a one-month campaign appealing to the Government to bring amendments to request for increasing taxes on Tobacco products.

The nationwide campaign will be organized in different states of the country by different organizations Our Organization (NOSKK) started this signature campaign on November 2023. We would like to do the campaign in your college on 21st or 23rd November 2023, so we can involve more youth in it and raise awareness about the harmful product. So, we need your permission and support.

Looking forward to your positive response.

Thank you
Your Sincerely

Rahima Khatun
